

WILLIAM GALLOP.

[To accompany bill H. R. No. 228.]

JANUARY 19, 1832.

Mr. BURGESS, from the Committee on Invalid Pensions, made the following

REPORT:

The Committee on Invalid Pensions, to whom was referred the petition of William Gallop, report:

That this petition was referred to a former Congress, and a favorable report made thereon March 17, 1830, by the Committee on Military Pensions; to which the committee refer, and adopt as a part of this report.

The committee are satisfied with the report, and therefore report a bill.

MARCH 17, 1830.

The Committee on Military Pensions, to whom was referred the petition of William Gallop, report:

That the petitioner volunteered as a militiaman in the defence of the town of Bennington, in the State of Vermont, on the sixteenth of August, 1777, under command of Captain Enos Parker, of the town of Adams, in the State of Massachusetts; and, while engaged in the line of his duty, on that day, received a wound in his right shoulder by a musket ball from the ranks of the enemy. The petitioner is unable to labor by reason of said wound; is very poor, and has a wife who is a cripple. A bill was reported for his relief the thirteenth of February, 1827, in which provision was made that he should be placed upon the pension list, under date of the eleventh of December, 1826, the time when his evidence was completed before the Committee on Military Pensions. The committee believe the petitioner is entitled to a pension, and report a bill for his relief.
